

USAR 72 Hour Back Pack

SKU# BP-SR-2100

Bigger is not always better. Designed as a 72 hour deployment pack, this bag holds the minimum required personal clothing and toiletries suggested by most teams. The day pack securely attaches to and detaches from the main harness with 4 side release buckles allowing you to carry your basic essentials to a forward base of operations.

Features

- > Easily attaches and detaches to any of our harnesses
- > Detachable suspender straps allow the bag to be used as a stand-alone back pack
- > Sized to easily carry and compartmentalize the essentials
- > Foul weather storm flap completely covers the pack and cleanly stows away
- > 2100 cubic inches of space
- > Bright yellow interior to increase visibility
- > Rugged handle allows carrying like a duffle bag
- > Adjustable exterior pocket for rain gear or helmet
